# **EXECUTIVE SUMMARY – SWOC ANALYSIS OF SWAMI VIVEKANAND GOVT. COLLEGE GHUMARWIN**

S.V. Govt. College Ghumarwin, Distt. Bilaspur, Himachal Pradesh came into existence in 1994 as a co-educational college. It was established by the Department of Higher Education, Himachal Pradesh and is affiliated to H.P. University, Shimla-5. It imparts education in Humanities, Sciences and Commerce at the under graduate level. The college has taken initiative to come forward to start new job-oriented courses like BCA/PGDCA from the academic session 2009-10 and BBA from the session 2012-13 to give more job opportunities to students. The college has also introduced an elementary course in computer awareness for the college students. M.A.(English) has also been started from the academic session 2012-2013.

The college has its own campus located at village Kalari on the National Highway 88(N.H-103) at a distance of 3 KMs from Ghumarwin town. It has its own majestic and well-designed building providing ample space for class rooms and laboratories. All the departments are well equipped with modern gadgets. In fact, this institution boasts of a beautiful and well maintained campus with green lawns which serve as feast for eyes. Its campus is spread over 14.04 acres of land and it is having adequate infrastructure in terms of class rooms, laboratories, library, canteen and playground. It has its own gymnasium and a girls' hostel for SC/OBC students has also been constructed in the college to provide residential accommodation to the girl students. The H.P. Govt. has acquired about 50 bighas of land for the development of infrastructural facilities.

Most of the students studying here come from rural areas after traveling a distance of 25-30 KMs daily. As far as the number of students studying here is concerned, it increases with every new academic session. The total number of students admitted to the college in different courses during the academic session 2013-14 is 2360. Out of 2360, 895 are boys and 1465 are girls. Out of 2360, 268 boys and 373 girls, which make 27% of total strength, belong to SC/ST/OBC categories. As far as the teaching faculty of the college is concerned, there are 45 teachers providing their services. All are well qualified and well experienced. In addition to imparting class room teaching, some of the teachers are actively engaged in research works including research guidance, pursuing doctoral level research or research publications. The teaching faculty of the college makes

constant efforts to upgrade knowledge and teaching skills by participating in orientation programmes, refresher courses and workshops. There is a qualified librarian who manages the college library. As far as the ministerial staff of the college is concerned, there are 06 officials and 18 others providing their services. One Mali (Gardener) and two security guards are also rendering their services here. The college has also one Tabla Vadak & one helper in the college gymnasium.

### **A. Strength**

1. The College comes under Sections of 2f and 12 B of UGC.
2. Staff is highly qualified. 18 teachers are PhDs, 2 have submitted their PhD thesis and 12 faculty members have enrolled for PhD.
3. Beautiful and Spacious Building situated on National Highway 103.
4. Well equipped and fully automated library with 9000 books.
5. Library is linked to INFLIBNET.
6. Well equipped laboratories
7. Excellent results.
8. Focus on personality development of each student through development of positive attitude, leadership qualities and self awareness.
9. Vibrant atmosphere conducive to all round development of students' personality.
10. Offers variety of courses like B.A., B.Sc., B.Com., M.A. English, BBA, BCA and PGDCA.
11. Each faculty Department is connected with High Speed Internet under the UGC scheme
12. College organizes various academic and co-curricular activities.
13. The first and the only college in the district to offer MA in English.
14. The college is under CCTV Surveillance.
15. Girls' Hostel
16. The college has its own gymnasium.
17. Teachers' Colony (under Construction)
18. Parking Facility for vehicles.

### **B. Weaknesses**

1. No Boys' Hostel

2. Shortage of Teaching staff because of newly introduced RUSA in the College
3. Shortage of Ministerial and technical Staff.
4. Under CBCS shortage of lecture rooms is being felt.
5. No proper system to train teachers.

### **C. Opportunities**

1. Because of the record strength of the college i.e. 2360 we have opportunities to start new courses like MCA, MBA, PG Diploma in HRD etc. and also to prove our commitment and quality of our services and to sustain our students' support activities.
2. Research Centers in Panchayati Raj and Rural Development to train the Panchayat members and Gram Sabha members about the government programmes and to study various issues and problems of these institutions
3. Research Centre in Women Studies can be established as more than 60 percent of students studying here are girls.
4. Establishing of coaching centre for various competitive exam for SC/ST/OBC and economically and academically weaker students.
5. The college has acquired 50 bighas of land recently. So we have more opportunities for promoting sports and cultural activities

### **D. Threats/ Challenges**

1. To enhance infrastructure and its proper maintenance.
2. To reach the rural lot and up bring their potentials.
3. To motivate the faculty staff for changing and progressive paradigms in higher education.
4. To retain academic excellence under the CBCS despite shortage of teachers.
5. To persuade students to stay in the campus for study as most of the students come from distant villages and leave the campus before 3 PM.

## **CRITERION I:** **CURRICULAR ASPECTS**

### ***1.1 Curriculum: Planning and Implementation***

***1.1.1 State the vision, mission and objectives of the institution, and describe how these are communicated to the students, teachers, staffs and other stakeholders.***

#### **Vision**

Swami Vivekanand Govt. College Ghumarwin is proving to be a key factor for the economic and social transformation of the region. The college aims to give all round formation to its students making them academically excellent and socially committed and to give stress on all round development of their personality. The college believes in promoting academic/professional knowledge/skill both in creation and dissemination by producing graduates and post graduates well equipped with knowledge and skill and continuously improving learning environment while maintaining high ethical and multicultural standards.

#### **Mission**

As Swami Vivekanand has said that education is ‘the manifestation of the perfection already in man’. So our mission is to help the students to manifest their knowledge and to remove the obstacles that come in their way so that they may achieve their full human potential, may gain academic excellence, all round development of their personality and contribute to the great good of the community and the nation. In order to accomplish this end the college endeavors to help its students to become conscious of purpose which may give meaning and value to their lives so that they may be able to have positive and fulfilling roles in nation-building. The college endeavors to enrich and empower its learners through value-based quality education. Stress is given on harmonising the traditional values with the new values brought through the progress of science and technology. Besides, the classroom teaching which is coupled with the possible applications and uses of academic knowledge vis-a-vis the issue of social and personal importance, students are also motivated to participate in different co-curricular activities including

sports, cultural and socially important activities like the NSS/NCC activities to foster the values of healthy competition, mutual cooperation and social responsibility. Through constant innovations, consistent quality enhancement and persistent value addition, the college strives to fulfil the vision and mission.

### **Objectives**

- i. To reach the rural lot and up bring their potentials by providing them better opportunities.
- ii. To achieve academic excellence through creative and innovative teaching.

*1.1.2 How does the institution develop and deploy action plans for effective implementation of the curriculum? Give details of the process and substantiate through specific example(s).*

#### **To develop the Action plans:**

**Swami Vivekanand Govt. College Ghumarwin** is an affiliated college. So the curriculum designed by the H.P. University is followed. However the college faculty members work hard to follow the academic calendar prescribed by the university to complete the syllabus on time. Efforts are made by the staff to enable the students to cope with the demands of the contemporary global scenario through effective transaction of the curricular and co-curricular aspects.

#### **Deployment of Action Plan:**

At the beginning of the academic year time table is set which fulfills the prescribed number of hours for each subject. All the faculty members are responsible for completing the syllabus within the stipulated time. Department wise review meetings are conducted. The principal also conducts periodic meetings to review the action plan.

Choice Based Credit System (Under RUSA) has been introduced from the academic session 2013-14 as a part of the induction programme with specific focus on the programme structure, evaluation, grading system and credits. Special classes (Zero classes) are held to orient the students in the revised curriculum and to monitor the implementation of the programme in the college. Orientation classes for university examinations are done at the end of each semester to acquaint the students with the pattern of examination and to equip them to manage the

given time effectively. Assignments, Quiz programmes etc are also conducted by the departments in relevant fields in connection with the curriculum. The office staff is assigned the duty to update the students with information on different courses, fee structure, processing of applications etc. The faculty members are also deputed to refresher courses and orientation courses as and when required.

*1.1.3 What type of support (procedural and practical) do the teachers receive (from the University and/or institution) for effectively translating the curriculum and improving the teaching practices?*

As an affiliated College, the curriculum prescribed by the H.P. University is followed with regard to the courses that are offered. The Vision, Mission and objectives of the institution are kept in mind while transacting the curriculum. Students' employability skills, student centric teaching-learning practices are being followed for effective curriculum delivery. Teachers are deputed for various text-books related workshops and orientation programmes when these are organized by different Colleges or University.

- The parent University forms an Academic Calendar that specifies the duration of semester, the date of commencement and the close of semester, examination slot. Besides, the University also circulates various notifications.
- The institution provides library and e-learning facilities to the faculty for the effective delivery of the curriculum.
- The institution provides separate rooms for each department and each department has been provided with one computer, printer and broadband connection to update knowledge.
- Teachers are motivated to apply for minor or major research projects and to pursue research work individually.

*1.1.4. Specify the initiatives taken up or contributions made by the institution for effective curriculum delivery and transaction on the curriculum provided by the affiliating University or other statutory agency?*

The initiatives taken up or contributions made by the institution for effective curriculum delivery are as follows:-

- From the session 2013-2014 CBCS has been introduced which focuses on programme structure evaluation, grading system, credits etc.
- Teachers are provided with enough knowledge on usage of audio and visual aids for the teaching to be made more effective as well as attractive.
- The college has a central library with a seating capacity 200 readers. Computers with internet facility have been made available in the library hall.

*1.1.5. How does the institution network interact with the beneficiaries such as industry, research bodies and the university in effective operationalization of the curriculum?*

The college faculty interacts with various academic bodies and research bodies during the Board of Studies, Board of Examiners and Textbook meetings. The orientation/workshops on text books and curriculum organized by the University, boost up academic body- faculty interaction. Feedbacks from students and teachers are collected and representation is made in the academic council and required changes are suggested in the curriculum design.

*1.1.6 What are the contributions of the institution and/or its staff members to the development of the curriculum by the university? (number of staff members/department represented on the Board of Studies, student feedback, teacher feedback, stakeholder feedback provided, specific suggestions etc.*

As an affiliated college the curriculum prescribed by the H.P. University is followed with regard to the courses that are offered. However, some teachers of the college are members of the Board of Studies and they play a vital role in generating teaching learning material. Feedback on curriculum is obtained time to time. The college has a mechanism to obtain feedback in curriculum aspects from the student and other sources as follows:

- a) **Students:** - Feedback from students is obtained by giving them class tests and assignments at regular intervals. The teachers then interact with the students and discuss difficulties being faced by them, how they would like the teacher to approach the subject matter, including the thrust areas which require more attention and how the students can improve their weaknesses.
- b) **Parents:-** The feedback from the parents regarding the curriculum is received at the General House of the Parent-teachers' Association organized at least once in an academic session and through the executive body of the association which meets regularly.
- c) **Alumni:** - The college has formed College Old Students' Welfare Committee to establish better interaction with the old students of the college not only about the curricular aspects but also about the general growth and development of the college. The regular meetings of the committee are held to have feedback from its members.
- d) **Employers:** - The College is run and managed by the Department of Higher Education, Govt. of Himachal Pradesh. The Director (Higher Education), H.P. or his nominee regularly visits the college for inspection and assessment of its functioning. This not only helps the institution to recognize the areas in which it needs to improve its performance including academic competence, but also accords an opportunity to seek financial and administrative support for the development of the college.

- e) **Academic Peers:** - The suggestions for academic growth of the college received from different sources are passed on to the academic and administrative peers by the Principal of the college at regular meetings held at the university or Directorate level. The academic peers then devise methods to improve the working of the college. As a case in point, the entire academic calendar for colleges has been revised to ensure adequate number of effective teaching days in one semester.

*1.1.7. Does the institution develop curriculum for any of the courses offered (other than those under the purview of the affiliating university) by it? If 'Yes', give the details of the process (Needs assessment, design, development, and planning) and the courses for which the curriculum has been developed.*

The college does not develop curriculum for any course being offered by it. The syllabi/curriculum of different courses are developed, reviewed and updated at the behest of Department of Higher Education H.P./ H.P. University to make the teaching learning process more fruitful and productive.

- **Periodical Meetings:** - The principal periodically conducts meetings of Heads of all the departments to discuss the program of academic and co-curricular activities. The Principal and the heads of all the departments ensure the implementation of the curriculum in time.
- **Student performance:** - Internal assessment & grades, semester exams, assignments, seminars and other skill based programmes are held.
- **Quality Enhancement of faculty:** - Regular enhancement of teaching and delivery skills along with the theoretical inputs through participation in national and international workshops, seminars, conferences, discussions etc.
- **Achievements of Faculty:** - Professional qualification pertaining to the areas of specialization, paper presentation and publication in reputed journals.

- **Overall Performance of the Institution:** - Participation in various cultural / sports activities, competitions etc.
- **Awareness Programme:** - Health and Hygiene, Computer Awareness, Environmental Issues, Women Empowerment.
- **Social Service to the Community:** - Conducting outreach activities such as blood donation, NSS, NCC activities etc. in order to serve the society and to make students realize their duties as a human being.

## **1.3 CURRICULUM ENRICHMENT**

### *1.3.1. Describe the efforts made by the institution to supplement the University's Curriculum to ensure that the academic programmes and Institution's goals and objectives are integrated?*

The college aims to give all round formation to all students making them academically excellent and socially committed. The objectives of the curricula offered by H.P. University and the goals of the institution are complementary in nature. The range / scope of the courses in each programme assure that the students achieve academic excellence in the respective discipline. Assignments and other activities are imperative for the successful fulfilment of the programmes and they help the students to develop their personality. The college being affiliated to the University does not have the option of formulating its own curriculum, still the courses offered have their relevance to the institutional goals and objectives. The college aims to inculcate the highest intellectual standards through rigorous academic commitment and discipline. Students are inspired to aspire for higher level of academic achievement by mastering the subject chosen for study. The institution makes efforts for overall development of their personality. The college ensures that the University curriculum is followed in the best of the spirit. The college academic calendar is prepared in every session with the active involvement of all the members of the staff. The Principal ensures that the curriculum framed by the University is supplemented in such a way that it reflects the mission and vision of the institution. Regular feedbacks obtained from the stakeholders, with respect to the quality of the enrichment programmes are mentioned and evaluated by the IQAC and necessary remedial measures are incorporated in the future.

In integrating institutional goals and objectives on par with the university curriculum the academic programs are designed in the form of calendar of events and accordingly it is going to be executed in the following ways:

- \* Academic plans are prepared.
- \* Conducting periodical tests.
- \* Providing well equipped labs and library facilities.

The college organizes a number of enrichment programmes like seminars, workshops, lectures, quizzes. After such activities result analysis, collection of feedback etc are conducted to understand the impact and influence of the programmes.

*1.4.1. What are the contributions of the institution in the design and development of the curriculum prepared by the University?*

Since our college has no autonomy, we adopt the curriculum prescribed by H.P. University. However, feedback on curriculum from student-teacher interactions, parents' meets, alumni requests and advices from academic peers are recorded. The college caters to rural students and concentrates to improvise the standards of rural students by conducting continuous assessment of academic progression through internal assessments, term papers, presentations, Home assignments, quizzes, workshops on various activities, revisionary classes, backlog classes.

*1.4.2. Is there a formal mechanism to obtain feedback from students and stakeholders on curriculum? If 'yes'. How is it communicated to the University and made use internally for curriculum enrichment and introducing changes/ new programmes?*

Yes. There is a formal mechanism to obtain feedback from students and stakeholders. The college collects and documents responses on curriculum from the stakeholders. The students express their opinion on curriculum through response sheets. Oral responses are also considered. Alumni and parents also register their views during alumni and PTA meetings, general houses.

*1.4.3. How many new programmes/courses were introduced by the institution during the last four 3 years? What was the rationale for introducing new courses/ programmes? Any other relevant information regarding curricular aspects which the college would like to include.*

This college is a government college. For introducing new programmes/courses in the institution, permission is sought from H.P. Government. New academic programmes are sanctioned only in tune with the fiscal policies of the government. Five new courses have been started during the last five years B.C.A. and P.G.D.C.A. were started in the academic year 209-10. M.A. English has been started from the academic year 2012 -2013. 30 seats have been allotted for this course. BBA- a self financed course has also been started in the academic year 2012-2013. Most of the students belong to rural areas and opportunities for higher education are scarce in the area. The college makes proposals for programmes that may equip the students to cope with the latest requirements and may also assure employment.

## **CRITERION-11** **TEACHING LEARNING & EVALUATION**

### **2.1. STUDENT ENROLLMENT AND PROFILE:**

#### **The Cell ensures:-**

- \* An effective and efficient internal coordinating and monitoring mechanism.
- \* Development and application of quality benchmarks for the various academic and administrative activities of the institution.
- \* Organization of workshops, seminars on quality related themes and promotion of quality circles.

- \* Documentation of various programs and activities leading to quality improvement.
- \* Timely, efficient and progressive performance of academic, administrative and financial tasks.

*2.3.3. How is learning made more students centric? Give the details on the support structures and systems available for teachers to develop skills like interactive learning, collaborative learning and independent learning among the students?*

The college faculty members are sensitive to innovative teaching-learning practices. Majority of the teachers use student-centric practices for teaching-learning. Class room quiz activities, discussion, tests, assignments are part of the teaching-learning dynamics.

*2.3.4. How does the institution nurture critical thinking, creativity and scientific temper among the students to transform into lifelong learners and innovator?*

The institution motivates students to participate in academic and extracurricular activities to sharpen their critical thinking. Various group discussions, debates, workshops are organized in which students explore new ideas. Various activities: academic and co-academic conducted in the college sharpen the critical thinking, communication skill, decision making skill etc. The college provides free Broad band internet accessibility and INFLIBNET facility for improving the creativity of the students.

*2.3.5. What are the technologies and facilities available used by the faculty for effective teaching?*

The college is using modern teaching aids and tools like computers, internet and LCD projectors. The college encourages faculty to attend the seminars, conferences and workshops.

*2.3.6. How are the students and faculty exposed to advanced level of knowledge and skills?*

The institution encourages teachers to attend faculty development programmes at the beginning of semester. They are also encouraged to

participate in seminars, workshops, orientation programmes from time to time. Many young teachers are pursuing further studies. The college has well equipped computer labs with internet connectivity and other facilities available such as scanner, printer etc. The library provides INFLIBNET facility, journals, on-line journals, e-books etc.

*2.3.7. Details (process and the number of students/ benefitted) on the academic, personal and psycho-social support and guidance services (professional) counseling/mentoring/academic advice) provided to students?*

- \* **Academic:** The students are benefited academically through expert (internal and external) classes. The students are moulded personally by the institution through disciplinary actions such as recording and warning late comers to the college on daily basis, informing parents, confiscating mobile phones, sporting of Identify cards etc.
- \* **Personal:** Some of the rural students lacking confidence, having inferiority complex are dealt with and confidence is infused. They are made to walk along with the rest of the students to build up zeal.
- \* **Psycho-social support and guidance service:** The college organizes academic and career counseling under Career Guidance Cell. The college also invites experts for providing psycho-social support and guidance.
- \* **Career Guidance and Counselling Cell:** A Counselling cell has been established for counselling. The faculty also participates in personal counselling:-
  - To help students to check out academic roadmaps for themselves.
  - To acquaint them with various career options through seminars.
  - To redress problems related to stress, anxiety, examination phobia, peer pressure and adjustment to changed environment.
  - Teachers take interest to mentor students. Students are always free to approach the teachers for any kind of guidance-personal, professional and so on.

2.3.8. *Provide details of innovative teaching approaches/methods adopted by the faculty members during the last four years? What are the efforts made by the institution to encourage the faculty members to adopt new and innovative approaches and the impact of such innovative practices on student learning?*

The college is well aware of the rapid changes in the field of higher education and research, and the college has been making efforts to keep pace with the innovative teaching-learning practices. The following are a few of the measures adopted:

- \* Promotion of student-centric learning through interactive classes, assignments, seminars and practical sessions.
- \* The faculty members effectively utilize the Broad band internet and INFLIBNET facility for data collection, preparation of notes and for enhancing the student participation in learning.
- \* The students are trained and motivated to make seminar presentations with the help of ICT.
- \* Movies and documentaries related to the curriculum are exhibited in the classes so that teaching can be made effective and easier.
- \* Students are motivated to access digital learning materials and e-books for data collection.

2.3.9. *How are library resources used to augment the teaching-learning process?*

Although there are no separate departmental libraries in the college, there is a well-spacious central library having seating capacity of 200 readers at a time. The college library is registered with N. List Program of INFLIBNET in which more than 55000 e-books have been made accessible to the students and the faculty members. A book-bank scheme for providing text books to the needy students has also been started. The students can access books, newspapers, journals and magazines in the library and if required can photocopy the materials. New editions are added regularly and the library stock is updated with current volumes. Books including text books are issued to the students. Students are motivated to utilize these for their seminars, assignments and exams.

2.3.10. *Does the institution face any challenge in completing the curriculum within the planned time frame and calendar? If yes', elaborate on the challenges encountered and the institutional approaches to overcome these.*

No. The college does not face any challenge as far as the completion of the curriculum within the planned time framed and calendar is concerned. As soon as a new academic session begins time table is prepared and the faculty members begin to make best efforts for covering the syllabi well in advance and fulfilling the requirements of internal assessments in time. Loss of working days due to any reason is complemented by additional classes / extra hours.

2.3.11. *How does the institute monitor and evaluate the quality of teaching learning?*

The faculty members collect the feedback of students to better the teaching learning practice. The Principal and the Heads of Departments assure that all the required teaching assignments / works in connection with internal assessments are done in time.

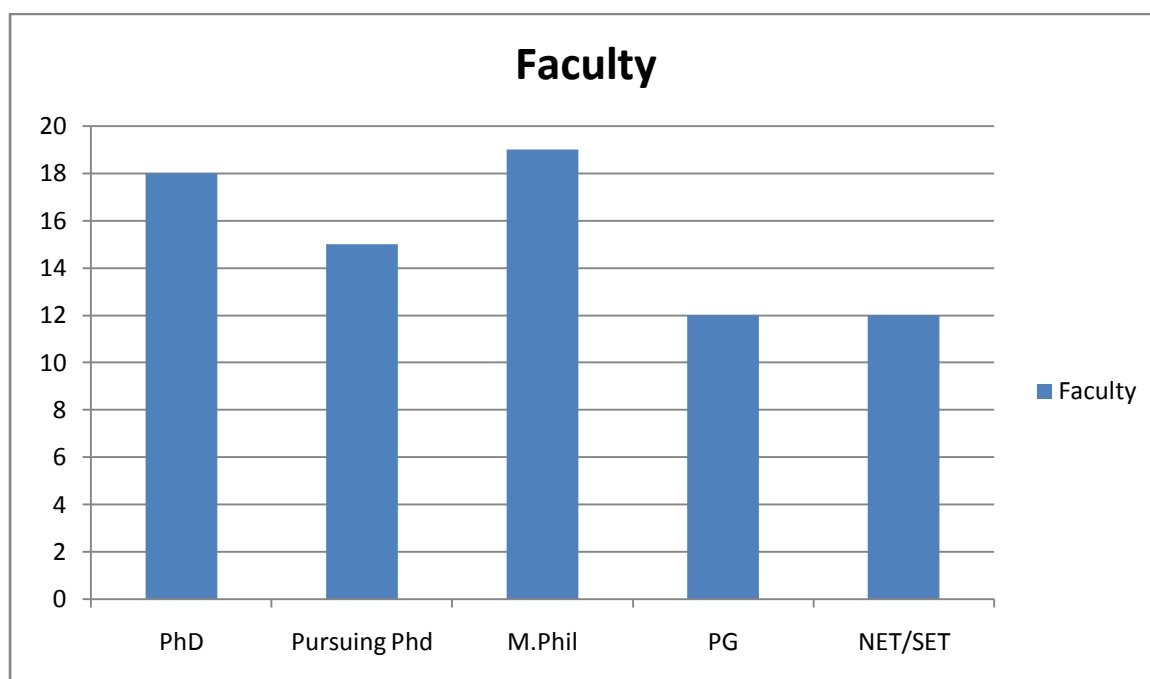

Faculty members are also advised to improve teaching strategies based on the result analysis of the concerned papers. The Principal gives directions for completing their assignments in time. The feedback of parents and students are regularly collected through class and PTA meetings.

## 2.4. Teacher Quality

2.4.1. Provide the following details and elaborate on the strategies adopted by the college in planning and management (recruitment and retention) of its human resource (qualified and competent teachers) to meet the changing requirements of the curriculum.

The recruitment of the teachers serving in the college is made by the Himachal Pradesh Public Service Commission as per the norms of UGC and Government of Himachal Pradesh. A rigorous selection process is followed which includes eligibility screening test and personal interviews. The selected candidates are then given appointments in the colleges by the Department of Higher Education. The college has an adequate number of qualified teachers in different subjects. The shortfall, if any is overcome by appointing teachers through the Parent- teacher Association.

## FACULTY OF THE COLLEGE

2.4.2. *How does the institute cope with the growing demand/scarcity of qualified senior faculty members to teach new programmers/ modern areas (emerging areas) of study being introduced (Biotechnology), IT, bioinformatics etc.)? Provide details on the efforts mode by the institution in this direction and the outcome during the last three years.*

The college encourages the faculty members to attend orientation and refresher courses and other training programmes that would improve their teaching and knowledge. This college does not keep away from the emerging areas or disciplines; instead, the faculty members are encouraged and supported to attain knowledge of new areas through orientation and refresher courses and other training programmes. For example, Informatics, an area which was handled earlier by IT Professionals alone has, now become the forte of teachers of all disciplines in this college. It encourages the faculty members to update their knowledge regularly.

2.4.3. *Provide details on staff development programmes during the last four years elaborate on the strategies adopted by the institution in enhancing the teacher quality.*

**a) Nomination to staff development programmes**

<i>Academic Staff Development Programmes</i>	<i>Number of faculty members nominated</i>

*2.4.4. What policies/systems are in place to recharge teacher? (eg: providing research grants, study leave, support for research and academic publications teaching experience in other national institutions and specialized programmes industrial engagement etc.)*

Teachers are supported to receive research grants from UGC and other academic bodies. Our two teachers have got one minor and one major research projects funded by UGC and Indian Council of Social Science Research (Ministry of Human Resource Development) 18 faculty

members are PhD and 12 faculty members are engaged in doctoral research. Two teachers have submitted their thesis and are awaiting the award. The college facilitates research activities and encourages teachers to attend and present papers in seminars and conferences. Most of our faculty members have published works in reputed journals and some have authored academic books.

2.4.5. *Give the number of faculty members who received awards/recognition at the state, national and international level for excellence in teaching during the last four years. Enunciate how the institutional culture and environment contributed to such performance/ achievement of the faculty members.*

- \* ‘Jewel of India’ was awarded to the Principal of the college by the Indian Solidarity Council.
- \* IIEM Delhi gave Rashtriya Shiksha Gaurav Gold Medal and Best Educationist award to Mr. Jagdish Lal Principal of the college for his services in the field of education.

2.4.6. *Has the institution introduction evaluation of teachers by the students and external peers? If yes, how is the evaluation used for improving the quality of the teaching- learning process?*

The college collects feedback directly/indirectly from the students, and the data thus received is reviewed by the faculty members concerned and required alterations in teaching strategies and methods are affected.

## **2.5. Evaluation Process and Reforms**

### *2.5.1. How does the institution ensure that the stakeholders of the institution especially students and faculty members are aware of the evaluation processes?*

The evaluation methods are informed to the students well in advance before the university examinations. The previous university examination question papers and model papers are made available to the students. The students are informed of class tests and assignments and their scores. Students are also informed of the scheme of evaluation, updates on curriculum revision, alterations in the question pattern and do's and don'ts during practical examinations. The University provides training programmes on CBCS and teachers are deputed to attend these programmes. Reforms made in the evaluation process by the parent university or implemented in the college and students are informed of them.

### *2.5.2 What are the major evaluation reforms of the University that an institution has adopted and what are the reforms initiated by the institution on its own?*

H.P. University has introduced Grading system and Choice Based Credit System for all UG courses from the academic session 2013-2014. The institution has adopted these reforms and followed the system meticulously. The university has also introduced the system of Continuous Evaluation where the faculty members evaluate and assess the students on the basis of their performance throughout the semester. The scores/credits are announced in the class rooms. Objections/ complaints if any are rectified if required before forwarding them to the university.

### *2.5.3 How does the institution ensure effective implementation of the evaluation reforms of the University and those initiated by the institution on its own?*

Being an affiliated college, it follows the rules prescribed by the University in connection with the implementation of CBCS

programme. The evaluation reforms are implemented promptly and as part of it the faculty members continuously evaluate the performance of students in each semester. The Principal of the college monitors the conduct of internal assessment in association with the Heads of Departments.

*2.5.4 Provide details on the formative and summative evaluation approaches adopted to measure student achievement. Cite a few examples, which have positively impacted the system.*

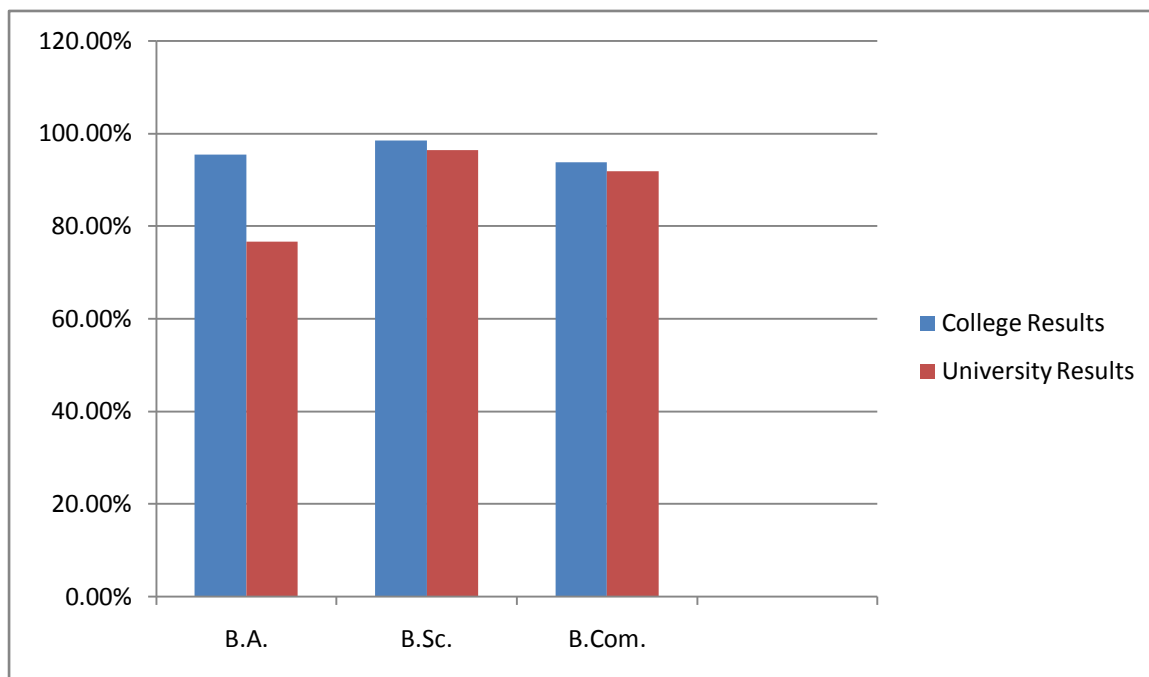

Each Department conducts term papers, quizzes, assignments as part of the formative evaluation of the CBCS programme in the college. As a result of this formative evaluation, the students don't have exam phobia and also gather thorough understanding of the subject. As for the practical examinations, sufficient exposure to the examination is provided by the departments concerned and it is helpful to the students to perform well during the university examinations.

*2.5.5 Enumerate on how the institution monitors and communicates the progress and performance of students through the duration of the course / programme? Provide an analysis of students' results / achievements (programme / course wise for the last four years) and explain the differences if any and patterns of the achievement across the programmes/ courses offered.*

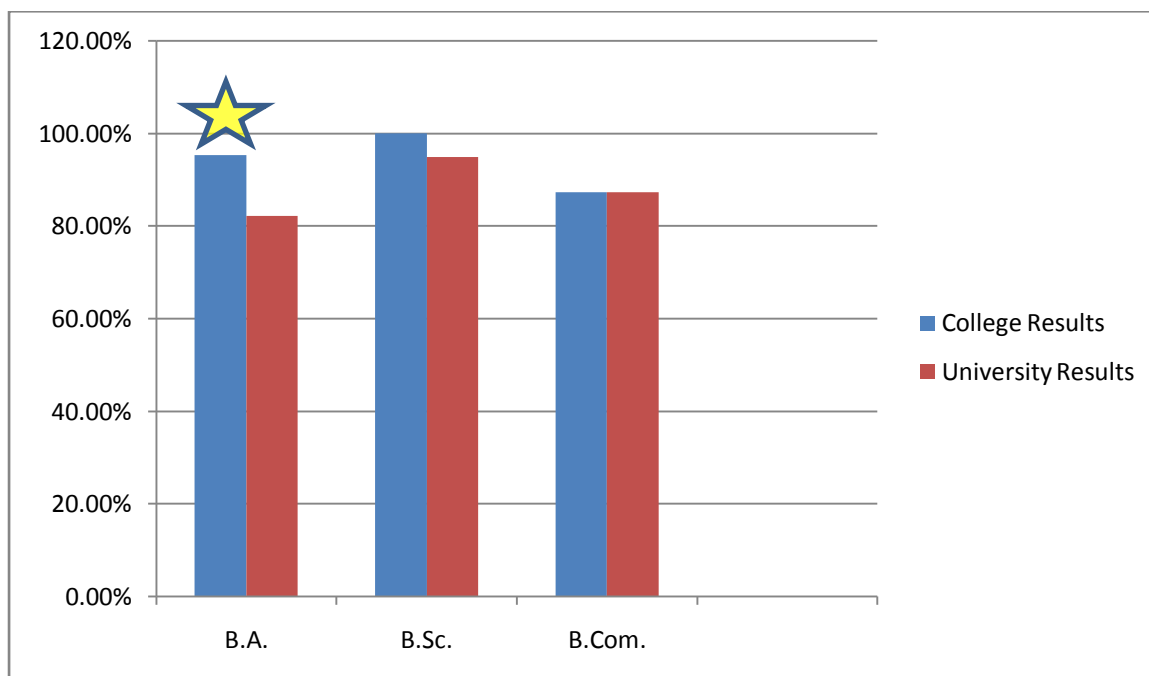

Regular tests are conducted, almost monthly during the course. The college evaluates the students through two term papers, communication skills in debates/ quizzes, in assignment submission, performance in class tests, in lab performance for practical skills. The report is also analyzed by the Principal of the college. The record of the whole evaluation is transparent. The answer books are shown to the students.

Course wise result analysis of last four years.

*2.5.6 Detail on significant improvements made in ensuring rigor and transparency in the internal assessment during the last four years and weightage assigned for the overall development of students (weight age for behavioural aspect, independent learning, communication skills etc.)*

The departments conduct internal assessment and provide 20% of the total credits assigned for a course on the basis of attendance, class tests, assignments and seminars. Assignments are given well in advance in each semester and the timely submission is ensured by the departments. Students are informed, well in time, of their scores / attendance to assure transparency and correctness before they are forwarded to the university. The behavioural traits, independent learning and communication skill of students are reflected in their presentations, viva voce, regular attendance and timely submission of assignments. The Heads of Departments hand over attendance and progress certificate of the students to the administrative section in charge of examinations. The internal assessment is made by the faculty members keeping in mind the following aspects of student's performance

- \* Class attendance
- \* Class assignments / quizzes etc.
- \* Score in the term exams.

*2.5.7 Does the institution and individual teachers use assessment /evaluation as an indicator for evaluating the students' performance, achievement of learning objectives and planning? If yes provide details on the process and cite a few examples.*

Yes. The assignments, class seminars, class tests, quizzes term papers are considered as indicators of student performance. The timely submission of assignments, attendance, scored achieved in the term papers, class tests and seminars are also considered for the award of grades. Grades are minimized for incorrect data presented, late submission of assignments and absence in the class tests.

*2.5.8. What are the mechanism for redressal of grievances with reference to evaluation both at the college and University level?*

The students have free access to the subject teachers regarding any discrepancy or grievance. The college has formed a Students' Grievance Redressal cell which considers complaints of students regarding the internal grades awarded by the departments. The Cell is constituted from among the senior teachers and heads of the departments. The internal grades are scrutinized by the Cell before forwarding them to the university. The university offers an opportunity to the students to get their answer scripts re-evaluated within a stipulated time.

## **2.6 Student Performance and Learning Outcomes**

### *2.6.1 Does the college have clearly stated learning outcomes? If 'yes' give details on how the students and staff are made aware of these?*

'Education for all round development' is the motto of the college, and to materialize this motto, the college aims to orient the young students towards academic excellence, personality development and social commitment. The curriculum and the syllabi of the academic programmes offered in this college are transacted in such a way that these objectives are realized by the successful completion of the programmes. Self-reliance and skills in communication, coordination, planning, management, academic writing, and presentations are to be acquired by the students through these programmes. These learning outcomes are communicated to the students right from the beginning of the academic programmes during the counselling and orientation sessions.

### *2.6.2 How are the teaching, learning and assessment strategies of the institution structured to facilitate the achievement of the intended learning outcomes?*

The institution promotes student-centric learning through assignments, class tests, quizzes, class seminars, and practical sessions, through which the students acquire and develop skill in collecting, processing and presenting relevant data, and also develop skills in communication, co-ordination, planning, management and academic writing. As part of teaching-learning strategy, the institution provides the students with free internet access. INFLIBNET facility in the library helps the students to collect up-to-date information for learning. All the departments have been provided with computers and internet facilities so that up-to-date information may be provided to the students.

### *2.6.3 What are the measures / initiatives taken up by the institution to enhance the social and economic relevance (quality jobs, entrepreneurship, innovation and research aptitude) of the courses offered?*

The college takes up initiatives for making teaching-learning process socially and economically relevant. The institution, at the time of the admission, provides counselling regarding the choice of options the

students wish to opt. They are guided by the faculty members/committees regarding the future prospects of various options. Guest lecturers also provide them relevant information regarding the future prospects. Students are also encouraged to participate in activities for social and community service. The faculty members believe in imparting quality education and generate new knowledge through research and development activities. The college has started many profession courses such as B.C.A., B.B.A, PGDCA and M.A. English which help in getting employment. Career Guidance Cell is constantly guiding the students regarding various fields they can choose after completing their courses. The college also invites experts for providing comprehensive knowledge regarding the future prospectus. In fact, the college makes sincere efforts to give guidance to the students so that they may cope with the current trends in the job market.

*2.6.4 How does the institution collect and analyse data on student learning outcomes and use it for planning and overcoming barriers of learning?*

The institution has an organized procedure to collect and analyze data on student learning outcomes by continuous evaluation which comprises of term papers, attendance, and assignments, participation in co-curricular activities, class seminars etc. The periodic evaluation of students helps the improvement of learning process.

*2.6.5 How does the institution monitor and ensure the achievement of learning outcome?*

The continuous evaluation under CBCS is useful in ensuring the achievement of learning outcomes of students. Grades are given on the basis of the achievement of the required skills and abilities. Besides, the exposure provided to the students through various curricular and co-curricular activities on a regular basis ensures that the learning outcomes are achieved in the course of the programme. The results obtained in the semester examinations, feedbacks from stakeholders- all point toward the achievement of the learning outcome of students.

*2.6.6 What are the graduate attributes specified by the college/affiliated university? How does the college ensure the attainment of these by the students?*

The institution constantly makes efforts to mould its students and make them good citizens and good scholar in their respective field of study.

They are expected to have a strong understanding of the basics of the discipline undertaken by the time they complete the programme. Self reliance and skills in communication, coordination, planning, management, academic writing, and presentation skills are also expected in the students so that they can undertake any career that demands these skills. All these skills develop the personality and outlook of the students and generate in them a social orientation. All the activities of the departments and the college are designed with this aim in perspective.

*2.6.7 Any other relevant information regarding Teaching-Learning and Evaluation which the college would like to include.*

The college is considered among top ten government colleges affiliated to H.P. University in respect of results, discipline and values. In the academic year 2011-2012 three students of the college got merit in the university exams and in the academic year 2012-2013 two students got merits in annual university exams. The overall result of the college during the last five year show the commitment of the teachers and hard work of the students.

### ***CRITERION III:***

#### ***RESEARCH, CONSULTANCY AND EXTENSION***

##### ***3.1 Promotion of Research:***

###### ***3.1.1 Does the institution have recognized research center / s of the affiliating University or any other agency / organization?***

The college imparts education to the students of undergraduate classes. It does not have a research centre. The college has started PG (English) from the academic session 2012-2013.

###### ***3.1.2 Does the Institution have a research committee to monitor and address the issues of research? If so what is its composition? Mention a few recommendations made by the committee for implementation and their impact.***

Yes. The institution has a research committee to monitor and redress the issues of research activities. The committee consists of the Principal of the college and a senior faculty member. The committee encourages the faculty members to enroll in PhD Programmes in their fields of interest. They are also assisted to apply for minor/major research projects. As a result most of the faculty members have enrolled in PhD programme in their fields of interest. At present 18 teachers are PhDs two have submitted their theses for PhD where as 12 others are doing PhD. The college has provided updated library and computers with broadband connection for each department for research activities.

###### ***3.1.3 What are the measures taken by the institution to facilitate smooth progress and implementation of research schemes / projects?***

The college is already hosting research projects of faculty members funded by UGC, Ministry of HRD etc. The institution has taken various measures to facilitate smooth progress and implementation of the projects. The details are explained below:

###### **\* Timely availability or release of resources**

The college has decided to ensure the timely availability of resources for the smooth functioning of projects.

\* **Adequate infrastructure and human resources**

The college provides adequate work space, electricity, broadband internet connection, help from administrative staff and computing facilities to the investigators of the research projects for smooth progress.

\* **Time-off, reduced teaching load, special leave etc. to teachers**

The college with the permission of the state Education Department encourages its teachers to undertake research projects and also to enroll in PhD. They are allowed study leave, if otherwise permissible under rules and are also facilitated the award of research grants to the teachers through the UGC and other agencies.

\* **Support in terms of providing technology and information needs**

All the departments have been provided computers, printers and internet.

\* **Facilitate timely auditing and submission of utilization certificate to the funding agencies.**

The college provides full support for the preparation of utilization certificate and auditing of the research funds. The service of the college administrative staff is extended for the preparation and submission of utilization certificates of projects.

*3.1.4 What are the efforts made by the institution in developing scientific temper and research culture and aptitude among students?*

The college imparts education to the students of under graduate classes so it does not engage in research education.

*3.1.5 Give details of the faculty involvement in active research (Guiding student research, leading research Projects, engaged in individual/ collaborative research activity, etc.*

The college does not have any research student however 14 faculty members are pursuing their PhD.

*3.1.6 Give details of workshops / training programmes / sensitization programmes conducted / organized by the institution with focus on capacity building in terms of research and imbibing research culture among the staff and students.*

NIL

*3.1.7 Provide details of prioritized research areas and the expertise available with the institution.*

N/A

*3.1.8 Enumerate the efforts of the institution in attracting researchers of eminence to visit the campus and interact with teachers and students?*

The seminars and invited talks are conducted with an aim to invite eminent researchers to the campus. The industry experts, academicians and researchers from reputed institutions interact with the students during their visit to the campus. For example Mr. Arun Bhardwaj, a senior executive in DELL from Bangalore interacted with the students on 21-10-2013.

*3.1.9 What percentage of the faculty has utilized Sabbatical Leave for research activities? How has the provision contributed to improve the quality of research and imbibe research culture on the campus?*

5% of the faculty members have already benefited from leave for their research work.

*3.1.10 Provide details of the initiatives taken up by the institution in creating awareness / advocating / transfer of relative findings of research of the institution and elsewhere to the students and community. (Lab to land)*

N/A

### **3.2 Resource Mobilization for Research:**

*3.2.1 What percentage of the total budget is earmarked for research? Give details of major heads of expenditure, financial allocation and actual utilization.*

The college does not have an exclusive budget head for research activity. Faculty members have to meet the expenditure through financial assistance from external funding agencies, such as UGC or Ministry H.R.D.

*3.2.2 Is there a provision in the institution to provide seed money to the faculty for research? If so, specify the amount disbursed and the percentage of the faculty that has availed the facility in the last four years?*

There is no such provision in the institution to provide seed money to the faculty for reserved.

*3.2.3 What are the financial provisions made available to support student research projects by students?*

The college does not engage in research education to the students.

*3.2.4 How do the various departments / units / staff of the institute interact in undertaking inter-disciplinary research? Cite examples of successful endeavors and challenges faced in organizing inter-disciplinary research.*

Aligning with the present trend of interdisciplinary approach in Higher Education various departments of the institute interact and undertake interdisciplinary research.

*3.2.5 How does the institution ensure optimal use of various equipment and research facilities of the institution by its staff and students?*

The available research facilities such as general library, INFLIBNET, Broadband connectivity, software computing facilities, and electronics equipments are used by faculty members. Faculty members avail these facilities for self improvement and research activities.

*3.2.6 Has the institution received any special grants or finances from the industry or other beneficiary agency for developing research facility? If yes give details.*

No. The institution has not received funding from any beneficiary agency or industry so far.

*3.2.7 Enumerate the support provided to the faculty in securing research funds from various funding agencies, industry and other organizations. Provide details of ongoing and completed projects and grants received during the last four years.*

Two Minor/Major Research Projects: one funded by UGC and the other by HRD Ministry have been carried out by the two faculty members conducted in the last four years in the college.

### **3.3 Research Facilities**

#### *3.3.1 What are the research facilities available to the students and research scholars within the campus?*

All the departments have been equipped with desk top computers, uninterrupted power supply and necessary software. High-speed broadband internet connectivity, INFLIBNET facility, printing, copying and scanning facilities and an annually updated general library are available to students and research scholars.

#### *3.3.2 What are the institutional strategies for planning, upgrading and creating infrastructural facilities to meet the needs of researchers especially in the new and emerging areas of research?*

The institutional strategy is to encourage faculty members to apply for financial assistance from the UGC, government departments and other funding agencies in the form of major and minor research projects in emerging areas which would help to improve the existing knowledge and infrastructure. The college has a plan to incorporate a post graduate block with research laboratories. Proposals have been submitted to upgrade the existing lab facilities.

#### *3.3.3 Has the institution received any special grants or finances from the industry or other beneficiary agency for developing research facility? If yes what are the instruments / facilities created during the last four years.*

The college has received assistance for enhancing research facilities only from funding agencies such as UGC and not from any industry or beneficiary agency.

#### *3.3.4 What are the research facilities made available to the students and research scholars outside the campus / other research laboratories?*

The college does not provide research facilities to the students and research scholars outside the campus.

*3.3.5 Provide details on the library / information research center or any other facilities available specifically for the researchers.*

The college has a general library updated regularly. INFLIBNET facility has been provided for e-books and e-journals. Six computers with Broad band connections have been made available in the library. The library is fully automated.

*3.3.6 What are the collaborative researches facilities developed / created by the research institutes in the college? For ex. Laboratories, library, instruments, computers, new technology etc.*

The college does not have a research institute. However, our faculty members have research relations with a number of research institutes.

### 3.4 *Research Publication and Awards:*

#### 3.4.1 *Highlight the major research achievements of the staff and students in terms of*

- \* Patents obtained and filed process and product:- NIL

#### 3.4.2 *Does the institute publish or partner in publication of research journal(s)? If yes, indicate the composition of the editorial board, publication policies and whether such publication is listed in any international database?*

NO

#### 3.4.3 *Give details of publication by the faculty and students:*

##### **Department of Chemistry**

### **3.5 Consultancy**

#### *3.5.1 Give details of the systems and strategies for establishing institute-industry interface?*

The college is planning a strategy for establishing institute-industry relations in consultation with the new policy of UGC to introduce Vocational Training Programmes to the students.

#### *3.5.2 What is the stated policy of the institution to promote consultancy? How is the available expertise advocated and publicized?*

At present, the college is not engaged in consultancy and it does not have any policy to promote it.

#### *3.5.3 How does the institution encourage the staff to utilize their expertise and available facilities for consultancy services?*

NA

#### *3.5.4 List the broad areas and major consultancy services provided by the institution and the revenue generated during the last four years.*

The institution provides consultancy in distance education, only as IGNOU study centre.

#### *3.5.5 What is the policy of the institution in sharing the income generated through consultancy (staff involved: Institution) and its use for institutional development?*

NA

### **3.6 Extension Activities and Institutional Social Responsibility (ISR)**

#### *3.6.1 How does the institution promote institution-neighborhood-community network and student engagement, contributing to good citizenship, service orientation and holistic development of students?*

The college promotes the participation of students and faculty in extension activities through NSS, NCC, Bharat Scouts and guides etc.

#### *3.6.2 What is the Institutional mechanism to track students' involvement in various social movements / activities which promote citizenship roles?*

The college extends all possible support to the students to involve in social movements that help them realize their social responsibilities. The social oriented programmes are organised throughout the year by N.S.S. volunteers, staff and rovers and rangers. These include organizing cleanliness drive of the surroundings, water resources etc. construction of pathways, tree plantations and organizing blood donation camps etc. Almost every faculty member has donated blood at one or the other blood donation camps. NSS officer (Associate Professor of the college) has donated blood for seventeen times. Awareness programs about environmental pollution, AIDS, Drug abuse etc are also organized. In a way these activities contribute a lot to mould the students' character.

#### *3.6.3 How does the institution solicit stakeholder perception on the overall performance and quality of the institution?*

The feedback received from alumni, PTA, College Student's Central Association, higher education institutions and the feedback on the different programmes undertaken by the college provide adequate material for the assessment of the quality of the performance of the college.

#### *3.6.4 How does the institution plan and organize its extension and outreach programmes? Providing the budgetary details for last four years, list the major extension and outreach programmes and their impact on the overall development of students.*

The outreach programmes of the college are organized throughout the session. NSS volunteers, faculty members, rovers and rangers actively participate in these programmes and these include tree plantations, organizing blood donation camps, cleanliness drive of the surroundings and water resources etc. Awareness programmes about environmental pollution, AIDS, drug abuse etc. are also organised in surrounding villages. The people of the surrounding area actively participate in these programmes and their suggestions are also taken into consideration while planning such programmes. Such activities not only help to generate awareness about issues of contemporary importance as outlined above, but also record time and space to the people to refocus on such issues and also to reorient themselves afresh forwards their society and culture in general.

*3.6.5 How does the institution promote the participation of students and faculty in extension activities including participation in NSS, NCC, YRC and other National/ International agencies?*

The college encourages the faculty and students to participate in extension activities. The faculty members are awarded with grade points for the service they render, which is beneficial for the performance based appraisal for their career based on the 6<sup>th</sup> Pay Commission guidelines. The students successfully completing the service are awarded with grace marks at the end of their course.

*3.6.6 Give details on social surveys, research or extension work (if any) undertaken by the college to ensure social justice and empower students from under-privileged and vulnerable sections of society?*

The college sincerely makes efforts to promote social justice. The college NSS volunteers participate in organising pulse polio programmes. Health talks are organised. Women cell has been formed, complaint box has been made available for grievances. The NSS units train young learners to serve the society and to curb the social evils.

*3.6.7 Reflecting on objectives and expected outcomes of the extension activities organized by the institution, comment on how they complement students' academic learning experience and specify the values and skills inculcated.*

Extension activities carried out by the institute always help in inculcation of academic learning process, values and skills amongst the students. For example by donating blood, students realize their duties towards mankind.

*3.6.8 How does the institution ensure the involvement of the community in its reach out activities and contribute to the community development? Detail on the initiatives of the institution that encourage community participation in its activities?*

The college maintains good rapport with political and social activists and organisations and assures their involvement in the programmes undertaken by them. The local community greatly appreciates the socially useful activities of the college students. The local representatives including local MLA also take keen interest in developmental activities of the college.

*3.6.9 Give details on the constructive relationships forged (if any) with other institutions of the locality for working on various outreach and extension activities.*

The college has good relationships with other institutions of the locality. The blood donation camps are organized with the help of the District hospital. The NSS units co-ordinate all activities under the norms of the University. The NSS units organise tree plantation and water cleanliness programmes. The local people participate actively in these programmes.

*3.6.10 Give details of awards received by the institution for extension activities and / contributions to the social / community development during the last four years.*

NIL

### 3.7 Collaborations:

3.7.1 *How does the institution collaborate and interact with research laboratories, institutes and industry for research activities. Cite examples and benefits accrued of the initiatives - collaborate research, staff exchange, sharing facilities and equipment, research scholarship etc.*

The college has no any collaboration with other laboratories, institutes or industries for research activities.

3.7.2 *Provide details on the MOUs / collaborative arrangements (if any) with institutions of national importance / other universities / industries / Corporate (Corporate entities) etc. and how they have contributed to the development of the institution.*

There are no formal MOUs signed so far.

3.7.3 *Give details (if any) on the industry-institution-community interactions that have contributed to the establishment / creation / up-gradation of academic facilities, student and staff support, infrastructure facilities of the institution viz. laboratories / library / new technology / placement services etc.*

The college has upgraded its information sources with the introduction of INFLIBNET, e-text, e-journals

3.7.4 *Highlighting the names of eminent scientists / participants who contributed to the events, provide details of national and international conferences organized by the college during the last four years.*

NIL

3.7.5 *How many of the linkages / collaborations have actually resulted in formal MOUs and agreements? List out the activities and beneficiaries and cite examples (if any) of the established linkages that enhanced and / or facilitated -*

No formal MOUs or agreement has been signed with any other institution so far.

3.7.6 *Detail on the systematic efforts of the institution in planning, establishing and implementing the initiatives of the linkages/ collaborations.*

## ***Criterion IV: Infrastructure and Learning Resources***

### ***4.1 Physical Facilities***

#### ***4.1.1 What is the policy of the institution for creation and enhancement of infrastructure that facilitate effective teaching and learning?***

Research and experience have shown that the use of Information and Communication Technology (ICT) enhances the teaching and learning process and contribute to skill formation. The infrastructure of the institution is continuously enhanced with this view.

We have installed

- \* High speed broadband connection
- \* Computer labs, Physics, Botany, Chemistry, Zoology, Geography labs.
- \* General library with internet connectivity and INFLIBNET.

#### ***4.1.2 Detail the facilities available for:-***

- a) *Curricular and co-curricular activities- classrooms, technology enabled learning spaces, seminar halls, tutorial spaces, laboratories, botanical garden, Animal house, specialized facilities and equipment for teaching, learning and research etc.*

The college has 14 spacious (big) class rooms and 14 small class rooms. The college has well equipped laboratories namely two computer labs with 40 Computers, two Physics labs, two Chemistry labs, two Zoology labs, one Botany lab, one Geography lab. All the departments have computers, printers/scanners and internet connection. The college has computers with the latest configuration and UPS power back up. **6.1.3 What is the involvement of the leadership in ensuring:**

*The policy statements and action plans for fulfillment of the stated mission*

The college functions with a view to achieve the spirit of its mission, i.e., to provide quality education and opportunities for the all-round development of the students. The Principal convenes meetings to update the faculty members on the policies and programmes of the government and the Department of Higher Education. The Principal with the faculty members formulates action plans for the implementation of these policies and programmes and ensures that the college has required know how for the implementation of these policies and programmes. Facilities like

Broad band connectivity, sophisticated labs, sufficient number of printers, scanners, copiers, a well designed website, annually updated general library are a few of the physical facilities for obtaining the mission of the institution. In addition to these, the college assures clean environment, lush green compound and hosts a Health and Fitness Centre with outdoor and indoor sports facilities. NCC helps to develop leadership qualities among the students. It strengthens the inner potential and emotional quotient of the student folk and organizes co-curricular and social activities and helps to develop a sense of service and sacrifice among the students. The democratically elected College Students Association also has its share in developing the skill in coordination and synergistic interactions among the students of this college. The various committees, cells, societies operating in the college also join hands to fulfill the mission of the institution. There is an Internal Quality Assurance Cell (IQAC) in the college for the implementation of the quality policy and plans, which are conceived and designed by the Principal and the faculty of the college. The IQAC has senior most members of the college. There are two external members also.

*6.1.4 What are the procedures adopted by the institution to monitor and evaluate policies and plans of the institution for effective implementation and improvement from time to time?*

The Principal of the college collects feedback on the programmes of the college from different stake holders through periodic meetings. The conveners of the different committees and heads of the Departments submit appraisal reports to the Principal. The action plans of the current year serve as indicators for the analysis. The Principal with the help of the staff reviews the reports and initiates action. In addition, feedback from students is obtained through representatives of the College Association, students' suggestion box and Student Grievance Cell. The Heads of the Departments keep regular contact with the students and other stakeholders and their suggestions are noted and utilized for the implementation and improvement of the policies and plans.

*6.1.5 Give details of the academic leadership provided to the faculty by the top management?*

The college is run and managed by the Department of Education, Govt. of Himachal Pradesh. The Director (Higher Education, H.P.) or his nominee regularly visits the college for inspection and assessment of its functioning. This not only helps the institution to recognise the areas in which it needs to improve its performance, including not only academic competence, but also accords an opportunity to seek financial and administrative support for the development of the institution.

#### *6.1.6 How does the college groom leadership at various levels?*

The Principal is the head of the college and he exercises effective leadership by taking into consideration different points of view. The inner strengths are well utilized for the institutional development by creating a sense of belongingness. The college has **19** major Departments viz. English, Economics, Geography, Pol. Science, Mathematics, Public Administration, Sociology, History, Physical Education, Hindi, Sanskrit, Music, Physics, Chemistry, Zoology, Botany, Computer Applications, B.B.A., Commerce led by the Heads of the Departments concerned. The department level activities are co-ordinated by the respective department Heads according to the directions and instructions of the Principal. Further, separate faculty members are entrusted with the association duty to organize the activities of different students' organisations like NCC, NSS, College Association, Clubs and Sports etc. The faculty members, who are in charge of these organizations, lead the activities. The decisions are analyzed and discussed at various levels. The proper implementation of the institutional policies and programmes is achieved through mutual understanding and appreciation.

#### *6.1.7 How does the college delegate authority and provide operational autonomy to the departments / units of the institution and work towards decentralized governance system?*

The college administration is decentralized to ensure the quality of educational provisions. Every member of the administrative staff is given charge of specific section. The Superintendent supervises and coordinates the functioning of the accounts section, establishment section, purchases, students' affairs and is accountable to the Head of the institution. The responsibilities of taking appropriate steps to ensure qualitative teaching and preparing the students to face the challenges of the modern world lie with the Heads of the departments. They also manage their departmental

work with the cooperation and assistance of their staff members and maintain departmental activity registers and other documents. Committees comprising teachers from different Departments coordinate and conduct various activities and events in the college. The administration is decentralized for all academic activities. This paves way for the sharing of duties and responsibilities, binding all stakeholders in a positive interaction and building good human relations.

*6.1.8 Does the college promote a culture of participative management? If 'yes', indicate the levels of participative management.*

Yes. The college promotes a culture of participative management, in which faculty members, staff and students at all levels are encouraged to contribute their ideas and view points on institutional objectives, goals, and other decisions that may directly affect them. The college has an Advisory Committee of senior teachers. The committee regularly meets and discusses issues pertaining to the effective management of academic as well as administrative matters. The college PTA consisting of parents and faculty members pay attention to the managerial affairs when required. The College has a Development committee headed by the Principal, selected staff members, student representative, etc. The Committee plays an important role in infrastructural development of the college. The College understands the importance of a strong relationship among the faculty members, staff and students, and the stakeholders. The innovative ideas, opinions and suggestions from the faculty members, staff and students are appreciated and incorporated in the decision making process. The institution believes in and assures perfect communication among all stakeholders.

## **6.2 Strategy Development and Deployment**

### **6.2.1 Does the Institution have a formally stated quality policy? How is it developed, driven, deployed and reviewed?**

The college is a rural college and students from rural background come to study here. Our quality policy is to continuously strive for the comprehensive development of the faculty members and student community of all caste, creeds and colors with special focus on academic excellence. Personality development and social orientation are guiding principles of the college for achieving the desired quality. Academic merit is given priority in admissions even though reservation is maintained as per rules. Continuous appraisal of the performance of the students, teachers and administrative staff is done regularly. The quality policy is reviewed through the feedback of all stakeholders.

### **6.2.2 Does the Institute have a perspective plan for development? If so, give the aspects considered for inclusion in the plan.**

The college works with a focus on the continuous improvement of the physical and academic ambience and infrastructure of the college both qualitatively and quantitatively. The college proposes to start more post graduate courses and degree programmes. Keeping this in view, we have been requesting the government for sanction of more courses, and we have succeeded in getting permission to start M.A. English and B.B.A. from the academic year 2012-13. We also propose to develop our infrastructure to the international standards by the next five years. We also wish to harvest solar energy for the functioning of the college. The following are the key plans of the institution for the next five years.

- \* To start more postgraduate and degree programmes
- \* To get a separate P.G. Block and Research Centre.
- \* To develop the infrastructure to the international standards.
- \* To harvest solar energy for the functioning of the college

**Teaching & Learning**

The college has a number of technology assisted quality improvement strategies. The College library is well stocked with books, e-books, e-journals, magazines. Modern teaching methods using broadband connection, INFLIBNET. LCD projectors, computers are increasingly being used. The college provides opportunity to the teachers to attend orientation and refresher courses to make improvements in teaching. The faculty members encourage students to acquire knowledge from divergent sources. Study tours, excursions, group discussions, quizzes, workshops, and academic seminars. CDs, debates and seminars are conducted by all departments. Academic progress of students is assessed periodically and meetings are convened to overcome learning difficulties.

**Research & Development**

The college encourages and motivates its faculty to take up research projects. They are also motivated to pursue their further studies 18 faculty members are PhD and as many as 12 teachers are doing their PhD. Two teachers have submitted their theses for the award of PhD.

## Community Engagement

The college manages many programmes for the local community and also engages them for better social set up. The two units of NSS, NCC etc. contribute a lot in this direction. Programmes like blood donation camps, various awareness camps are organized in the surrounding areas. N.S.S. Programmes Officers maintain a record of blood donors and help in providing blood to the blood bank and to the needy as and when required. In addition to the regular activities of NSS, NCC etc, the college students are helped to develop qualities of personal and community life through other extra-curricular activities pertaining to theatre, folk culture (folk dance/ songs etc) debates and group discussions which primarily focus on issues of social and contemporary importance.

6.2.5 *How does the Head of the institution ensure that adequate information (from feedback and personal contacts etc.) is available for the top management and the stakeholders, to review the activities of the institution?*

The Principal collects feedback directly and indirectly from students, teachers and stakeholders in the college. Consolidated reports are prepared by the Principal and forwarded to the Department of Higher Education or Director of Higher Education from time to time.

6.2.6 *How does the management encourage and support involvement of the staff in improving the effectiveness and efficiency of the institutional processes?*

The Management (Directorate of Higher Education) plays an important role in motivating the faculty for academic progress and efficiency. The faculty members are encouraged to participate and organize seminars, workshops, conferences and to engage in research works. Faculty members are given periodic training like orientation and refresher courses to improve their performance. They are also given extra benefits for securing PhD/M. Phil degrees. Most of our faculty members are either PhD or engaged in doctoral researches and project works.

6.2.7 *Enumerate the resolutions made by the Management Council in the last year and the status of implementation of such resolutions.*

The major issues discussed during the last meeting were introductions of CBSC, infrastructure development including multipurpose hall (sports) automation of library, boundary wall and to obtain NAAC Accreditation for the college etc. The CBSC has been introduced and other plans have been sent for government approval. An amount of Rs. 20 lakhs has

been received for college campus fencing. The automation process of the library is complete. NAAC Accreditation process is in progress.

- 6.2.8 *Does the affiliating university make a provision for according the status of autonomy to an affiliated institution? If 'yes', what are the efforts made by the institution in obtaining autonomy?*

The affiliating university i.e. H.P. University does not make a provision for according the status of autonomy to its any affiliated institution.

- 6.2.9 *How does the Institution ensure that grievances / complaints are promptly attended to and resolved effectively? Is there a mechanism to analyze the nature of grievances for promoting better stakeholder relationship?*

There is a Grievance Redressal Cell for Employees. The Cell includes the Principal and three nominated members of teaching staff and two of non-teaching staff. Grievance, if any, is discussed by the Cell and remedies are sought.

- 6.2.10 *During the last four years, had there been any instances of court cases filed by and against the institute ? Provide details on the issues and decisions of the courts on these?*

No court case has been filed against the college during the last four years.

- 6.2.11 *Does the Institution have a mechanism for analyzing student feedback on institutional performance? If 'yes', what was the outcome and response of the institution to such an effort?*

The Principal and teachers collect feedback directly and indirectly from the students. Periodical meetings are held with the College Students' Association and their opinions are collected. P.T.A. meetings are also held to have feedback of the institution. Suggestions are analyzed and measures are taken for improvement. For instance on October 12, 2013 a meeting of P.T.A. executives was held at 11:00 A.M. and thereafter the meeting of College Students' Association was held and various issues were discussed.

### **6.3 Faculty Empowerment Strategies**

#### **6.3.1 *What are the efforts made by the institution to enhance the professional development of its teaching and non teaching staff?***

The faculty members are given periodic training to update their technical know-how on recent developments in academic areas. The college provides facility to all the faculty members to attend refresher and orientation courses.

They are relieved to attend National/International seminars with proper work arrangement. The college takes initiatives to support all departments with proper funding to conduct national seminars, workshops etc. All faculty members are motivated to apply for Minor/Major projects funded by UGC and other funding agencies and to pursue research works individually. The Department of Computer Applications also organizes training programmes for all teaching and non-teaching staff.

#### **6.3.2 *What are the strategies adopted by the institution for faculty empowerment through training, retraining and motivating the employees for the roles and responsibility they perform?***

Provisions are made by the state government / H.P. University for providing training to the teachers of the state. The teachers of the college are also sent to attend these job trainings and Orientation courses, refresher course, university level training programmes etc. and duty leave is provided to them. Government provides incentives to faculty members on the basis of their nature of work, qualification and designation. NCERT, Solan also arranges training programmes for the faculty members.

#### **6.3.3 *Provide details on the performance appraisal system of the staff to evaluate and ensure that information on multiple activities is appropriately captured and considered for better appraisal.***

The institution makes good use of the self appraisal method and comprehensive assessment by students to assess the performance of the faculty and staff. The feedback is communicated to the teachers and staff so that they may make necessary improvements in their performance.

6.3.4 *What is the outcome of the review of the performance appraisal reports by the management and the major decisions taken? How are they communicated to the appropriate stakeholders?*

The Principal of the college convenes meetings of HOD's of all departments and informs them of their performance or the feedback received and motivates them to improve their performance. The Principal also intimates the faculty members by way of circulars and notices.

6.3.5 *What are the welfare schemes available for teaching and non teaching staff? What percentage of staff have availed the benefit of such schemes in the last four years?*

Staff Quarters are being constructed. House rent allowance is provided. The Department of Education of the state gives monetary and career advancement benefits to those with higher qualifications such as M.Phil. and PhD as per the UGC norms. The Department also provides opportunities to improve qualifications. There are also government schemes which provide loans for buying or constructing houses etc.

6.3.6 *What are the measures taken by the institution for attracting and retaining eminent faculty?*

10 staff quarters are being constructed for the faculty. The departments have been provided with computers, printers and internet facility for self improvement and for pursuing their further study or research work.

#### **6.4 Financial Management and Resource mobilization.**

##### **6.4.1 What is the institutional mechanism to monitor effective and efficient use of available financial resources?**

Various committees have been constituted for proper utilization of funds. The Principal monitors the proper division and utilization of fund. The Principal and the office Superintendent make sure that the remittances are made in time. For the utilization of PTA fund, approval of PTA executive committee is pre-requisite and the PTA. Secretary keeps necessary records related to the utilization. It is ensured by the Principal that the fund is utilized only for the developmental activities of the college and the welfare of the students.

##### **6.4.2 What are the institutional mechanisms for internal and external audit? When was the last audit done and what are the major audit objections? Provide the details on compliance.**

All the accounts of the college are regularly audited. There were no major audit objections.

##### **6.4.3. What are the major sources of institutional receipts/funding and how is the deficit managed? Provide audited income and expenditure statement of academic and administrative activities of the previous four years and the reserve fund/corpus available with Institutions, if any.**

The entire funding for the functioning of the college is done by the state Government. The tuition fees and other funds collected at the time of admission is an important source of institutional receipts, and it is remitted in the government treasury account. The college collects PTA fund as an additional source of internal revenue for carrying out the activities of the college. Sports fund is collected from the students for sports activities and providing sports facilities for students. The college also receives UGC grant.

##### **6.4.4. Give details on the efforts made by the institution in securing additional funding and the utilization of the same (if any).**

The prospectus of the college and the college calendar communicate the policies and practices of the college to the internal and external stakeholders. PTA, Alumni and CSCA meetings are also convened.

## **CRITERIA VII:**

### **INNOVATIONS AND BEST PRACTICES**

#### **7.1 Environment Consciousness**

##### **7.1.1 Does the Institute conduct a Green Audit of its campus and facilities?**

The college is eco friendly. This college is located at village Kalari, three kilometers to the west-north of Ghumarwin town. College campus gives a picturesque look. The environment is quite clean and pollution free. The college has a gardener (Mali) who makes his best effort to keep the campus green. Trees are planted in and around the college campus by N.S.S. volunteers. Nature club, N.C.C. etc. also contribute a lot to keep the college campus green.

##### **7.1.2 What are the initiatives taken by the college to make the campus eco-friendly?**

The college campus is totally eco-friendly and for this the Head of the institution (Principal) and the whole staff, N.S.S. volunteers and the students are committed. It is because of this that the campus can claim to be the polythene/free zone. Besides, the institution has taken several other steps/initiatives to make the campus eco friendly.

#### **\* Energy conservation**

The college class rooms are ventilated and well-lighted and they do not require light during the day times. The college uses CFLS and energy saver devices in the class rooms, offices and hostel. This helps a lot in conservation of energy. The college has made arrangements for the parking of the vehicles of the staff and students in the college ground in a separate place. The dead leaves and the waste papers are not allowed to put on fire. The leaves are buried in the soil and the papers are disposed off. All this helps in keeping the campus clean.

#### **\* Use of renewable energy**

The college plans to submit a proposal for solar energy panels in the campus.

\* ***Water harvesting***

The college is provided with water supply scheme from the nearby rivulet about one k.m. away from the college. The college has a constructed storage water tank to save wastage of water. The college is planning to harvest the rain water and make its proper use

\* ***Efforts for Carbon neutrality***

The college, at its own level has taken up certain preventive measure to check the emission of carbon dioxide. Some of them are plantation of trees, parking of the vehicles of the staff/students in a separate part of the college ground and limited use of refrigerators, air-conditioners and other carbon emitting equipments etc.

\* ***Plantation***

Principal, staff and students of the college take keen interest in plantation drives and special programmes such as vanmahotsav are organised. N.S.S. volunteers take care of the saplings planted in the college campus.

\* ***Hazardous waste management***

The college does not generate any hazardous waste at all.

\* ***e-waste management***

The college has only started to feel the issue of e-waste, and currently we manage the issue by arranging the distributors themselves to take back our irreparable electronic commodities to be recycled or processed professionally.

## **7.2 Innovations**

### **7.2.1 Give details of innovations introduced during the last four years which have created a positive impact on the functioning of the college.**

The college has had tremendous developments and has introduced a number of innovations in infrastructure, teaching and learning, administration, student support and progression. They are mentioned below:-

- \* Departments have started to apply for UGC funding for academic programmes like seminars and workshops.
- \* General library has been automated and updated.
- \* Book Bank scheme has been started in the library.
- \* Students are provided with travel allowance

- \* Study centre of Indira Gandhi National Open University has been started in the campus.
- \* Higher education enrolment is promoted through seminars and classes
- \* Various tours / excursions are organized.
- \* Health and Fitness Centre has been established.
- \* Purified drinking water facility is provided.
- \* Girl's common room has been made available.
- \* Canteen facility is provided.
- \* The campus is under CCTV surveillance.
- \* Digital display board has been installed.
- \* Teachers' residences are under construction.
- \* 50 bighas more of land has been acquired for developing infrastructural facilities.

### **7.3 Best Practices**

*7.3.1 Elaborate on any two best practices which have contributed to the achievement of the Institutional Objectives and/or contributed to the Quality improvement of the core activities of the college.*

#### **BEST PRACTICES -1**

##### **1. Title of the Practice**

Continuous efforts for infrastructural up gradation for academic excellence.

##### **2. Goal**

Today, higher education institutions should have international standards and they must be able to equip the learners to face the challenges of the modern world. Education should develop the knowledge level of students and also make them employable. The college makes sincere efforts to provide students with exposure to the tremendous changes round the world in terms of technology, knowledge management and socio-ecological consciousness. The goal is to make students aware of the technological developments in the academia and to equip the students to use the same tools to achieve academic excellence and employability in terms of skills and knowledge.

##### **3. The Context**

Swami Vivekanand Govt. College Ghumarwin is a rural and a fast growing college established in 1994. As many as 19 subjects are being taught at UG level and one at P.G. level. The college believes in shaping its young learners through many extra-curricular activities. The main motto is to produce young learners who are academically excellent and socially committed. Special attention is given towards the all round development of the personality so that they may become responsible citizens and serve the humanity in a better way.

##### **4. The Practice**

The faculty members, students, PTA, alumni and all local representatives work together to upgrade the infrastructure of the college with a view to improve academic excellence and employability of the students. The college started functioning in 1994 in a primary school

premises at village Kalari. When the ACC Barmana started the construction of the magnificent building, it was shifted to the town in a rented building. In 1998 the college was shifted to the present building. Today the college provides the following facilities.

- \* INFLIBNET Facility is available.
- \* Various government scholarships are provided.
- \* All departments have desktop computers, printers, and broad band.
- \* We have two air-conditioned computer Labs with 20 computers in each and labs for science students with sufficient modern equipments.
- \* The college has two NSS units and NCC Wing.
- \* Our general library is regularly updated and now has around 9000 books and a number of journals and e-journals and e-books. The college library is fully automated.
- \* The college has a Health and Fitness Centre and spacious play ground for sports.
- \* Our administrative section is completely automated with networking and intranet.
- \* The college has a well designed website which provides information to the researchers and the public.
- \* Provision of purified drinking water has been made.
- \* The college has a fully furnished girls' Hostel, Principal's residence, an Open air auditorium and a gymnasium.
- \* A digital display board has been installed for displaying notices.
- \* The whole campus is under CCTV surveillance.

### ***5. Evidence of Success***

Infrastructural up gradation has ensured academic excellence and employability of our students in the recent years. The following are a few of the instances:

- \* Swami Vivekanand Govt. College Ghumarwin has secured its place among the top ten colleges of the state. Today this college is known for its results, well-disciplined students, and for teaching-learning environment.
- \* The college has produced a large number of academic professionals like teachers from college level to school level. Some of our former students are serving this college as faculty members.
- \* Higher education turnover has improved tremendously in the recent years.
- \* The enrollment of the students has increased.
- \* Excellent results as every year two or three merits in university exams are being got by the college students.

### ***6. Problems Encountered and Resources Required***

The college faces a few problems which are:

- \* Scarcity of funds for maintenance of the building and also for new construction and for the development of newly acquired land of about 50 bighas.
- \* The college needs more posts sanctioned of faculty members as the number of students is rising with every new academic session.

The facilities should be accessible to the students so that their academic excellence as well as employability are enhanced.
