

The institution has efficient and well defined systems and procedure for maintaining and utilising physical, academic and support facilities. In every academic year, different committees are constituted for the repair and maintenance work of the institution. There is provision of sweepers for cleanliness of campus and sports ground. College beautification committee, eco club, NSS and Swachhata drive are organized for the cleanliness of campus.

There is a Girls' hostel in the college which has a capacity to accommodate 91 students. The renovation and repair work of the hostel is undertaken on the recommendations of this committee.

The laboratories are maintained by the skilled SLA, JLA and LA of the institution. These labs are updated from time to time by adding new and advanced apparatus as per the requirements... The institution has proposed more labs in the new science block.

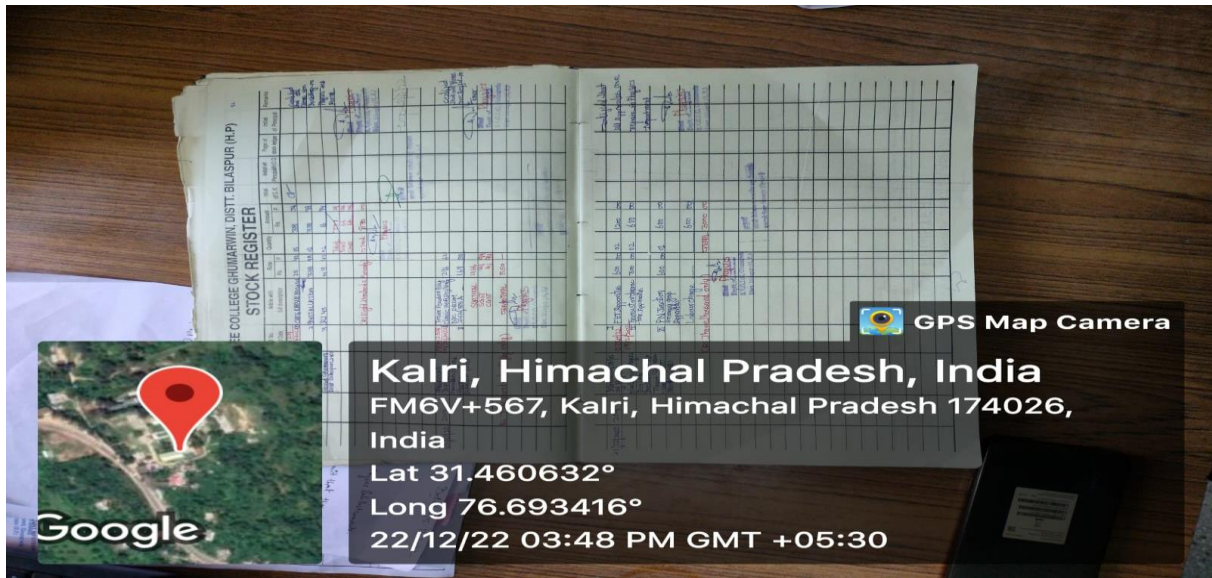

The college has a well stocked central library. The qualified librarian maintains overall record of the library and the library attendant keeps the record of students' activities within the library. The librarian of the college facilitates the students to open their accounts on INFLIBNET and also educates the students about how to access it.

The college students have the facilities of indoor and outdoor games. There is basketball, handball, volleyball, kho-kho, kabaddi courts for outdoor games. The gymnasium of the college facilitates sportspersons for the indoor games like carom, chess, badminton, table tennis etc. For enhancing the sports facilities in the campus, college RUSA committee and Sports committee constructed boxing ring shed and procured Motorized Treadmill, weightlifting set and dunking basketball rings for the students.

The institution has 145 computers in four computer laboratories. The students from different UG and PG courses use these computers for accessing e-resources, making their projects, undertaking practical work, filling up of their examinations and scholarship forms etc. Each department of the college is well equipped with computers, scanners and internet facility to enhance and update their teaching skills.

College is also providing infrastructure to the students in the form of steel benches, cement benches and two large umbrella sheds etc.. Water collected by the rainwater harvesting system is used in washrooms and also for irrigating the college gardens.

There is a canteen facility in the college campus. This canteen is managed by the college canteen committee. The committee regularly visits the canteen to ensure the quality of the products and hygienic conditions of the canteen.
