Plan for 2022-23

A meeting of members of IQAC and Heads of all the Departments of the college was held on 19th September 2022 in the college conference room under the chairmanship of Principal Professor Ramkrishan.

The agenda of the meeting was to prepare a plan for different academic, extracurricular, and developmental activities to be carried out during the academic session 2022-23.

The following points were discussed in the meeting:

A) Infrastructure:

- 1) It was decided that IT labs will be upgraded. New computers, accessories and furniture will be purchased with an approximate budget of rupees 11 lakhs.
- 2) Commerce department will be shifted to the New Commerce Block and the Commerce Lab will be made functional. Cabin for teachers will be constructed in the new Commerce Block.
- 3) For Geography Department new chairs and tables will be purchased. The smart board will be installed and the internet facility will be provided.
- 4) New stools for Botany Lab will be purchased.
- 5) A pucca/concrete pathway for New Commerce Block will be constructed as presently there is no proper walking way and it is difficult to reach the new building during the rains.

B) New Courses: Short-term courses like tally will be started with the help of NIELIT or Skill Development Corporation of Himachal Pradesh. The probability of similar kinds of courses in other subjects will also be explored.

C) Seminars/workshops/conferences: Efforts will be made to organise college level, state level or national-level seminars, conferences, or workshops in the college. The computer department will organise some faculty development programme for teaching and non-teaching staff of the college.

D) Sports:

- 1) Repair work in the Indoor stadium will be undertaken.
- 2) Repair work on present basketball ground will be taken up.
- 3) Communication with relevant departments or agencies will be made for levelling work and cutting of the trees etc for speeding up the construction process of the new playground.

E) Extra-curricular Activities:

- 1) New music instruments will be purchased and the old ones will be repaired. Instruments for folk orchestra will be purchased.
- 2) Near the stage a "green room" will be constructed with the utilization of the college building fund.
- 3) NCC, NSS, Rovers Rangers, and all the clubs and societies will keep on organising different activities for awareness or celebration of different special days/occasions like the previous academic session. Each of these will organize at least two activities during the current academic session.

F) Feedback from Students: Feedback from the students will be taken from time to time. They will be encouraged to give suggestions with respect to student welfare and other college affairs. At the end of academic session feedback like in previous years will be taken from students and their parents.

G) New Facilities for the Students:

- 1) With the help of the PTA, new Wi-Fi routers will be installed on the college campus.
- 2) E-library will be made functional as soon as possible. For e-library a budget proposal of rupees 29 lakh has been sent to department of higher education for approval.
- 3) Registration of students for INFLIBNET portal will be done to provide access to the e-resources.
- 4) Five smart classrooms are proposed to be made in the college.

H) Proposal for Creation of Additional Teaching and Non-teaching Posts:

A proposal for creation of additional teaching and non-teaching posts will be sent to the Directorate of Higher Education, Himachal Pradesh keeping in view the increased work-load after starting of new PG courses in the college.

I) Green Energy Initiative: An additional solar plant will be installed and effort will be made for the use of maximum solar energy.

J) Water sprinklers will be installed in the lawns and the garden.

K) Efforts will be made to speed up the construction work of New Science and PG Blocks.

L) Matter of inclusion of the college under the Utkrisht-Mahavidyalaya scheme of the Government of Himachal Pradesh will be taken up with the higher authorities on a priority basis.

M) Annual function will be organised during the current academic session as per the previous practices to honour and encourage the meritorious students in academics and extra curriculum activities including the sports like the previous academic sessions.
