“Education is most powerful weapon you can use to change the world”-Nelson Mandela

FROM PRINCIPAL'S DESK

Dear Student! Welcome to Swami Vivekanand Govt. College Ghumarwin, an institution of academic excellence and achievement, which was established in 1994. It is amongst one of the finest colleges within the Himachal Pradesh University. In this college, we are imparting higher education to the students coming from different parts of District Bilaspur as well from other parts of State of

Himachal Pradesh, which is a very substantial, potent and conscientious task. We all know that education plays critical role for the development of a nation. It is a fact that education is a dynamic process in which new-fangled thoughts are supplemented persistently to constrict the education in progressive approach. It is also realism that the nation is as strong as its education system. A developed country has strong and deep rooted education system where as the developing and its system that makes the country great, strong and developed.

I want that our students should be imparted an all round education so that they become multidimensional rather than uni-dimensional. In my view, acquiring information is no longer the main focus of education; instead the main aim of education is to build the powers of human mind and spirit. We believe in providing our students an environment, rich in knowledge and supportive for their extra-curricular interests. We aim to evaluate our students on the basis of their physical, mental, social, emotional and intellectual development.

I feel proud to acknowledge the contribution of highly qualified, dynamic and multi talented faculty, non teaching staff and also the students who have studied or are studying in this college. We have to continue to move ahead for producing and maintaining the best. We run so many courses which endeavor to enrich the academic and extra-curricular standards of our students. Our teachers work hard throughout the year with the students to provide them high quality educational experience in the form of debates, group discussions, workshops, symposia, seminars and sports and cultural competitions. Eminent personalities are invited from all walks of life to address our students and expose them to new ideas and thoughts. I welcome all the new students and assure that every effort will be put to meet their ambitions and desires.

A shaped stone cannot lay on the road for a long. It is a need of hour to shape the young brain according to the market demands. Vocational courses provide a golden opportunity for the students to pursue job oriented higher education and cater to the needs of business industry with the tremendous growth of economy. The need for these programs was felt long ago, as in retail, hospitality & tourism sectors, the students at all levels who wanted to learn and develop their career in these sectors, did not have any options of structured learning/training, while continuing with their studies. These programs will certainly be helpful to increase the productive employability. Today, with offer of these programs, such aspirants can overcome this impediment. I wish them success. For those, who are yet to enter the Retail, Hospitality & Tourism Industry and joining these courses, I would like to welcome them to the B.Voc. courses which has many exciting career growth opportunities.

B.Voc. courses focus on comprehensive growth of the students, working on their hearts and minds by addressing to their academic, cultural, physical and social needs in an environment of continuous education by investing all its skills and knowledge.
