

Annexure- C-1(1.2.3)

Curriculum Enrichment Practices (e.g. projects, surveys, educational tours and Industry Visit)

Projects and surveys are integral part of the curriculum for some specified subjects in the university guidelines. Physics PG students and f PG students of Zoology have to submit project reports as a part of their curriculum. In the project the have to carry out some research work which is examined by the external examiner from other institution/ university. BA Geography students do conduct the surveys as per their curriculum design. Students of various faculty do organize Educational tours, BBA and BCA department each year visit industry to complete their projects 5th semester. They learn industry oriented new technologies in the industry/ industrial tour.

DECLARATION BY STUDENTS

We hereby declare that the efforts taken in this work is only to collect the literature of the various authors entitled on "The study of the Least Cost Method in Mathematical Optimization for Unbalanced Transportation Problem". This is an authentic record of our work carried out for the session 2022-2024. The content present in this project work has not been submitted by us for the award of any other degree at this or any other university/institution.

CERTIFICATE OF COMPLETION

This is to certify that students pursuing Master of Science in Mathematics, has successfully completed a project work on "**Exploring Measure Theory, Measurable Sets, and Cantor Set**" under the guidance and supervision of **Prof. Lalit Sharma**.

Throughout this project, the students have demonstrated a deep understanding of the fundamental concepts of measure theory, including measures, measurable sets, and Lebesgue measure. Additionally, the students have conducted a thorough investigation into the properties and construction of the Cantor set, exploring its significance in the context of measure theory.

The project work involved rigorous research, critical analysis, and the application of advanced mathematical techniques. The students have exhibited commendable dedication, analytical skills, and a strong grasp of theoretical concepts in producing this comprehensive study.

Based on the quality of the project work and the depth of understanding displayed, it is my pleasure to award this certificate to following students, acknowledging their successful completion of the project on "**Exploring Measure Theory, Measurable Sets, and the Cantor Set.**"

Dept. of BCA & PGDCA

SVGC Ghumarwin

(06-10-2023 to 08-10-2023)

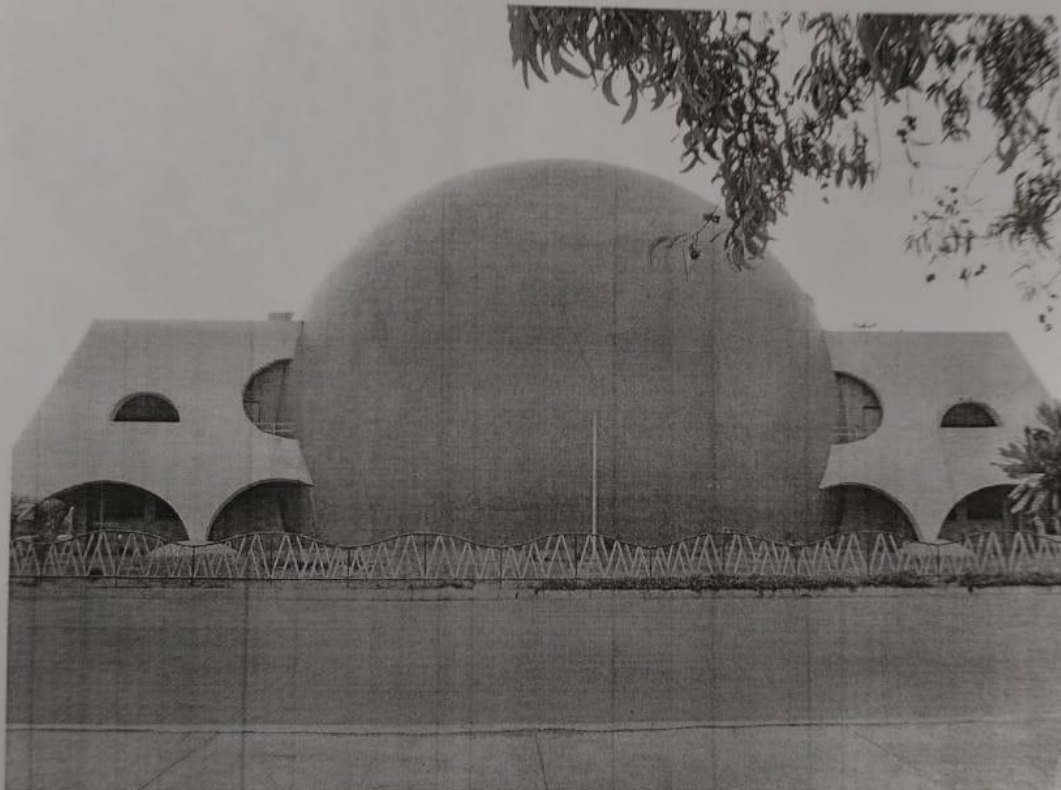

An Educational Tour Report

Two days educational trip was organized by Department of BCA/PGDCA under HEIS of Swami Vivekanand Govt College -Ghumarwin Bilaspur on Oct 6, 2023 to Oct 8,2023 to visit Science City Jalandhar. The tour comprised students of B.C.A 1,3,5th Sem accompanied by faculty members, Mr. Amar Paul Singh and Ms. Priyanka from Deptt. Of BCA/PGDCA. All the students were directed to gather at college campus at 9:30AM. Principal of the college Prof. Ram Krishan Ji wished all the students best and safe journey.

We started our journey at 10 O'clock with *Khan Bus Service* and reached at 05:30 PM at the location Golden Temple-Amritsar. Tea and snacks were served to all students in Langar Hall. After that all students along with faculty members were taken to the site, (Jalian Wala Baag) and Baba deep Singh Gurudwara sahib. We

stayed at Amritsar. In the next day (07/10/2023) we move to science city Jalandhar. The purpose of visit is to promote and enhance students understanding of the culture of science and technology, to supplement science education given in colleges and to organize various out of college educational activities to foster a spirit of scientific enquiry and creativity among the students.

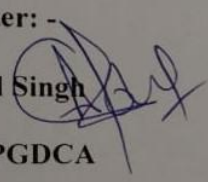

The trip to science city was a wonderful experience with full of knowledge of Science, Maths, Biological and much more, making science simple and interesting. A visit to an Auditorium II, Beyond Planet Earth Museum, IMAX 3d Movie, Hall of Space, Hall of Science, Mars ride etc was very exciting for students and really helps them understanding basic science. It was just a Complete and Knowledgeable trip. We departed at 4:00 PM form there to Ghumarwin. We all had safe and enjoyable journey with lots of information.

In this visit, around 50 students visited Science City along with 2 faculties of SVGC-Ghumarwin.
