Remedial Classes

Feb. 2024.

After the mid-term exam, some of the students needed extra classes and remedial classes. The department of economics is going to organize these classes for the course Public Finance, Development Economics. Since students were conventional carriers to attend one hour class for week 12 Feb onwards so that the difficulties faced by them will be rectified and resolved. The classes will be taken in odd hours i.e. 9:00 am to 10:00 am. The selected topics were identified by students and submitted to Prof. Vinod Kumar, for which they required clarifications, especially the derivations and diagrams. Further the department will also help the students to prepare the selected questions and find answers.

These classes will be conducted on 12th, 13th, 15th, 16th & 17th Feb. 2024.

CONCLUSION AND SUGGESTIONS

The present survey has been undertaken with the objectives to study the perception and satisfaction level of students towards campus facilities and the teaching-learning process of Swami Vivekananda Government Degree College Ghumarwin and to check the perception and satisfaction level of teachers towards different aspects of the curriculum taught by teachers. The present survey is based on an overall sample of 941 out of total 2664 students of different departments of SVGC Ghumarwin during 2023-24. The results of this survey are summarized as under:

Student survey analysis shows that most of the students i.e. about 78% are satisfied with college infrastructure facilities except internet/Wi-Fi facilities and library seating capacity. Students are satisfied with the teacher's ability to communicate through online mode and encouraged, and motivated for online engagement and learning. The most of students agreed with the statement that the assessment and Examination System of the college is very good and that the internal assessment was fair as per their performance. The majority of teachers prefer lectures to explain everything in real-time class. Teachers and students both prefer the Google Meet platform for online teaching whereas most of the teachers face challenges like a Lack of response from students, high absenteeism, and poor internet connectivity. Most of the respondents have labeled the SVGC Ghumarwin as the best college in the area and growing well as per its core values.

SUGGESTIONS

Suggestions are received from students:

1. College should take up the matter of providing more faculty members in undergraduate and postgraduate programmes in order to improve teacher-student ratio and to provide high-quality education and research.
2. Regular career/job-oriented programmes and seminars should be organized.
3. Campus placement sessions should be planned in the institution.
4. To improve the learning experience, group discussions or hands-on demonstrations should be organized.
5. To improve students' access to digital resources and research materials, increase the number of computers and internet speed in the E-library and provide more e-resources in the E-library.
6. The library should have more books by international authors. Books other than the syllabus for skill or overall development will be made available in the library.
7. Parking facilities for students should be improved.
8. Institution should take steps to develop an online app for students' attendance and feedback.

9. Well-equipped laboratory facilities will be provided for UG/PG students to improve their practical knowledge.
10. To ensure hygiene and a well-maintained environment, the campus should be cleaned and beautified on a regular and comprehensive basis, including the classrooms and common areas.
11. More classrooms should be added for PG programmes and all classrooms should be equipped with LED projectors and interactive panels to improve the audio visual learning experience.
12. Programmes focusing on employment and skill development should be organized. Incorporate a life story of a prominent social reformer, leader, or scientist into the curriculum to instill moral and social values in students.
13. To encourage interest in sports, more sports infrastructure facilities/renovation of current facilities would be provided to students.
14. There should be efforts to enhance the amount of filtered drinking water to students. Proper water fixtures should be installed in boys' and girls' toilets.
15. Hostel facilities should be offered for boys, as well as for all needy girls.
16. A sufficient new technology infrastructure, including IT Labs, a media lab and on-campus media production software should be made available to students.
17. Students should have more opportunities for internships and industry training. Internships in the tourism industry should be arranged in the same way that those in the hospitality sector.
18. More extracurricular and co-curricular activities should be organized for students to showcase their talent.
19. ATM facilities should be available to students in college campus.
