

Annexure C-3(3.7.2)

Activity:

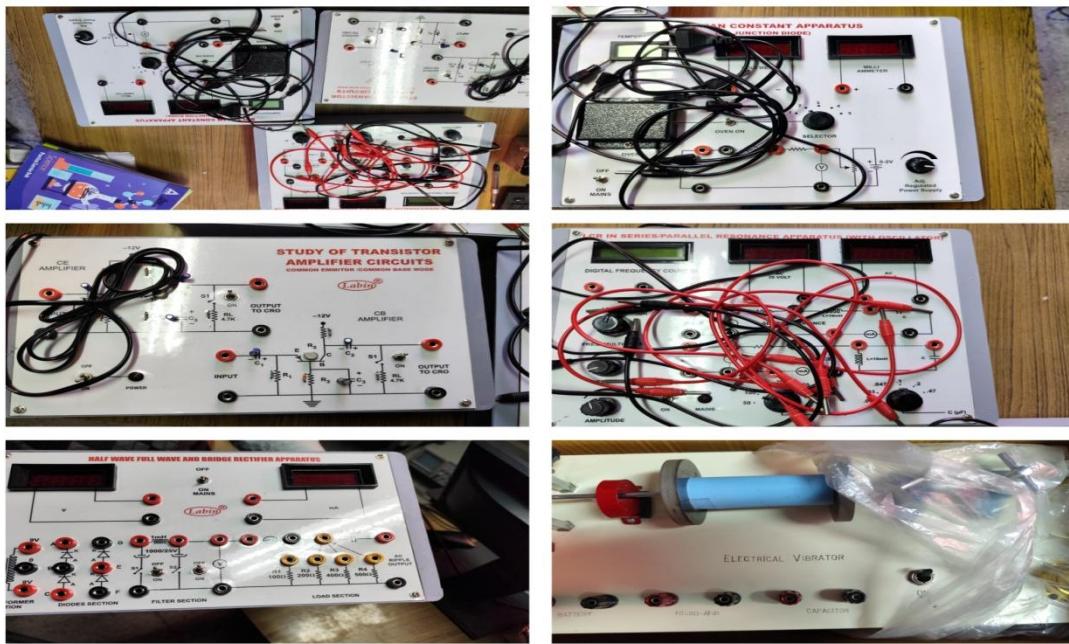

Usage of available Lab Infrastructure

Response:

Laboratory equipment plays an essential role in conducting practical experiments and developing scientific understanding among students. Proper use of lab instruments ensures accurate results, promotes safety, and enhances learning outcomes. The laboratories are maintained by the skilled SLA, JLA and LA of the institution. These labs are updated from time to time by adding new and advanced apparatus as per the requirements. Periodic reporting on requirements of repairs and maintenance are submitted by the HODs after approval from Principal to the Administrative officer.
