Event Report: Retail Shop Activity by B.Voc Retail Management Students

Event Date: 19 October 2024

Department: B.Voc (Retail Management)

Activity: Retail Shop (Handmade Products Exhibition & Sale)

Total Participants: 71

1. Introduction

The B.Voc department organized a retail shop activity on 19 October 2024, aimed at providing students with hands-on experience in product creation, display, and sales management. The event focused on enhancing entrepreneurial and retail skills among students.

2. Objective of the Event

- To provide practical exposure to retail operations.
- To encourage creativity through handmade product development.
- To develop marketing, communication, and customer-handling skills.
- To promote entrepreneurship among students.

3. Conclusion

The retail shop activity was highly beneficial and successful. It provided students with a platform to apply theoretical concepts in a real-life setting. The enthusiastic participation and the quality of handmade products displayed reflected the students' creativity and dedication. Such initiatives play a significant role in preparing students for future professional opportunities in the retail and business sector.

Survey Report: by B.Voc Final Year Students

Event Date: 24 October 2024

Department: B.Voc

Activity: Market Survey Total Participants: 49

1. Introduction

A survey was conducted among the final-year B.Voc students to understand their skill levels, industry awareness, training experience, and career readiness. The objective of the survey was to assess students' learning outcomes, identify gaps in practical knowledge, and evaluate their preparedness for employment or entrepreneurship.

2. Objectives of the Survey

- To analyse students' technical and vocational skill development.
- To understand students' exposure to industry practices and internships.
- To evaluate employability skills such as communication, teamwork, and problem-solving.
- To identify students' future career plans, including job placement or entrepreneurship.
- To gather feedback for improving the B.Voc curriculum and training processes.
